

nace challenge award

Maximise what you can achieve using the Challenge Award Framework

Professional development designed for your school and tailored to meet your needs

Select and shape a professional development package for your school

Get your training free by hosting an event open to other schools – **you may even generate income!**

NACE Support Services offer a team of highly experienced, quality assured professionals to work alongside your staff, supporting you in your steps to improvement.

Where do I start?

New to the role of More Able Gifted & Talented Leader – explore key aspects of good leadership

The Whole School Audit

From self evaluation to focused action planning – identify your next steps and the tools to support progress

Making Connections

Connect identification, assessment data and target setting - recognise what has an impact on your learners

Get a head start in working with the new Ofsted framework

High expectations for every pupil and teacher – explore the resources that help to secure this

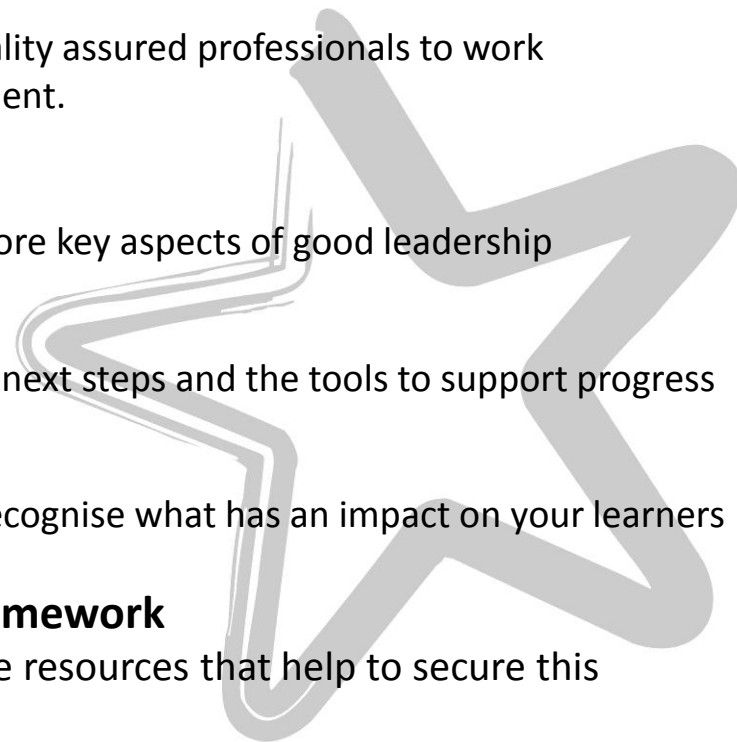

Underachievement and Able Learners

From identification to action that supports progress – identify strengths and improvement steps

Challenge Award Pre-Assessment

Review your school's evidence of high quality provision – assess your 'readiness' for Assessment or Re-accreditation and/or identify areas for further development

What is good provision for more able learners is good provision for all learners

Professional Development Packages -

Individual days or an extended programme of tailored support

1. Select and shape a package a professional development for your school **or**
2. Host a professional development event to support your school and others

What will NACE provide?

For your school:

- ✓ An experienced, quality assured NACE Challenge Award Tutor
- ✓ Liaison with school leadership to accurately tailor the programme content
- ✓ All the relevant resources to be used on the day

For host schools:

- ✓ All of the above **PLUS**
- ✓ A template flyer advertising the event, to be modified locally by the school and used to promote the event to other schools
- ✓ Guidance for the host school on what to charge other schools/colleagues to ensure costs are covered
