

Able to Challenge; Challenge the Able 'Closing the Gap, Raising Achievement'

A bespoke cross-phase conference for schools in Wales

Benefit from working with leading educationalists and learn from fellow colleagues to maximise your professional development and improve provision in your school.

The day will consist of a series of workshops and seminars to bring you practical ideas for work in your classroom and strategies for addressing provision for your More Able and Talented learners.

The programme for this conference has been designed to meet all of your School Effectiveness Grant priorities

Specific phase workshops will include:

- Numeracy and Maths
- Literacy, English and Language
- From High Quality MAT Provision to Challenge Award Achievement

Speakers include:

Johanna M Raffan, Founder Member of NACE Cymru

Sue Mordecai, Chair of NACE Trustees, Head of Learning, Bromley LA

Hilary Lowe, President of NACE, Associate Dean, Oxford Brookes University
