

# Children's Questionnaire.

Everyone learns in a different way. Put a tick against each of the things you like doing. ( tick as many boxes as you like.)  
In each section, add up all of your ticks and write the total in the **SCORE** box. Your highest scores will tell you what you like doing best.

Is there a topic that you are very interested in e.g. space

Do you like being a leader, in charge of things / people?

What job will you choose when you leave school?

Do you have any other hobbies or interests (collections)?
