

nace Challenge Award Framework

National Association for Able Children in Education

and the journey to *Challenge Award* assessment

The *NACE Challenge Award Framework* is specifically designed to be used by schools at different stages of progress in their provision for the more able. The *NACE Challenge Award Framework* can be used as a developmental tool, an audit and action planning tool and as a full self-review and school improvement tool.

Decide on which level to start your NACE Challenge Award Journey.
