

# nace membership

An independent charity, NACE works with member schools, education leaders and practitioners to improve provision for more able learners, driving whole-school improvement and raising achievement for all. Drawing on over 35 years' experience, we offer a complete package of support across all sectors, phases, contexts and stages of development in more able provision.

Annual school membership covers all staff within your school.

## What's included?

*Latest thinking, practice and policy for more able learners*

*Join a professional learning community: exchange ideas and inspiration with peers and experts*

*Establish a shared approach, skills and knowledge across your school*

*Develop your school's research capacity and expertise, and help to shape the future of more able provision*

### Regular updates for your leadership and teaching team

- NEW!** Share best practice via our members' blog
- What the latest research, policy and guidance mean for your school
- Monthly newsfeed direct to staff inboxes
- Termly Insight magazine for your staffroom and CPD library
- Quick links to the latest resources, digests and opportunities
- All you need to know to stay abreast of developments in the field

### Face-to-face CPD and networking for all your staff

- NEW!** Connect with a professional learning community at our termly member meetups
- Specialised CPD led by NACE experts and Challenge Award schools
- Focus on key aspects of provision, including subject areas
- Exchange and discuss ideas and experiences with peers
- Insights and resources from high-profile host venues
- Build your professional network for ongoing support

### Regularly updated online guidance and CPD

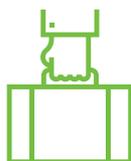

- NEW!** Regular live webinars led by NACE experts and partners
- NEW!** Bank of recorded webinars for staff training
- NACE Essentials guides, case studies and policy bites
- Practical examples, templates and checklists
- Phase- and role-specific materials
- Shared overall approach, with flexibility for self-directed staff development

### School-to-school collaboration and research initiatives

- NEW!** Join a NACE R&D Hub for regional collaboration, learning exchange and school-to-school support
- NEW!** Partner with universities and others in national research initiatives
- Develop in-school research skills and culture for continuous innovation and improvement
- Trial new approaches, assess impact and share your findings
- Be part of the national and international conversation

# Additional member benefits...

*Established toolkit to review and develop your provision for more able learners*

*Build your own package of support to fit your school, staff and budget*
